

Fairtrade Status

St Stephen's and West Church is now an officially recognized Fairtrade Church and we have joined more than 5300 places of worship throughout the UK.

To achieve this we have committed to: -

1. Using Fairtrade tea and coffee at all meetings for which we have responsibility.
2. Move forward on using other Fairtrade products such as sugar, chocolate and fruit.
3. Promote Fairtrade during Fairtrade Fortnight – and through other activities where possible.

To help us fulfill this commitment I ask you to aim towards these objectives using up stock you already have, of course. I know many groups are already well on their way, using FairTrade products at their meetings. The more products we use the more farmers and workers and their families we enable to survive difficult times and invest in a better future.

I would encourage you to support our own Traidcraft stall available alternate Sundays at Coffee after Church. If you require any products outwith these days or would like to order gifts from the catalogue please contact me.

Jill Oakley.
